

The NBC board has granted all CDTs and RGs a 3 month extension for their credits. If anyone needs an extension on their payment, they need to call the office at 800-684-5310 so we can set that up for them. FDLT and NADL have made a lot of their webinars free to help out as well. Here's some information about how to access the webinars. Feel free to share this with anyone interested:

- ****Make sure to save any certificates of completion you receive, so that you will have proof of watching the webinars for your records.
- Foundation for Dental Laboratory Technology:
<http://fdlt.peachnewmedia.com/store/provider/provider09.php>. Add any courses you are interested in to your cart and proceed as though you were going to make a purchase. At the time of purchase, use promo code DLTFoundation to check out free of charge.
- NADL Learner Community: <http://nadl.learnercommunity.com/>. You will need to create an account to watch these webinars. Use your email address and any password you want. Most of these webinars count for your Infection Control/OSHA credit (AKA Regulatory Standards credit). All webinars are free to NADL members, and the following are free to everyone:
 - Navigating through a Pandemic with FAQs
 - COVID-19 Safety and Infection Protection Guidance for Dental Laboratories
 - Dental Laboratories - 3D Printing of PPE, an FDA Compliance Panel Discussion
 - NADL Interactive Roundtable Discussion: Big Picture Thinking for Dental Laboratories Post COVID-19 - A Strategic Conversation
 - Protecting Patients and Staff when Re-Opening The Dental Practice
 - Navigating the New Normal in Dentistry - A Panel Discussion
 - Gearing Back Up: Improve Cash Flow Now with the R&E Tax Credit
